4-District Boys League Intra-Club Permit (ICP) Rules

1. The league shall grant a player registered with a team playing in the league permission to play for a 4-District league team operated by the same club, provided the player has the consent of their registered team and the approval of the youth district, as follows:
 - Players playing for a club's "in-district" U-11 team may play on permit for a 4-District U-11 team in the same Club.
 - Players playing in U-12 may play on permit for a 4-District team in the same Club playing in a higher calibre U-12 division only.
 - Players playing U-13 to U-18 may play on permit for a league team in the same Club playing at a higher calibre in their own age group, or may play in an older age division at an equal or higher calibre.
 - Each division within the league (Gold 1, Gold 2, etc.) is considered a different calibre.
2. Permits will be allowed for league games only, and not for any Cup games. Registered Out-of-District players shall not be eligible to play under permit. Players under suspension shall not be eligible to play under permit.
3. Any player requesting a permit must apply for permission by completing a permit form supplied by the league. (See Permit Form at www.4districtsoccer.com). The application form bearing the consent of the releasing team must be approved by the District Designate prior to the game. Each District may set additional conditions for approval or elect to not approve any ICP permits as it deems appropriate. Permits must not be approved if doing so would imperil the player's registered team's ability to meet its scheduled commitments.
4. A permit is valid only for the team, day and league game stated on the permit application form.
5. An approved permit form for the permitted player must be presented to the game official and the opposing coach prior to the start of the game.
6. From October 1st onwards, any U-11 to U-18 player with a permit must also present a valid ID card to be eligible to play.
7. Teams shall not be granted permits for more than three (3) players for any one league game. A player shall not play on a permit more than three (3) times in one season.
8. Any disciplinary action applied from misconduct reported while playing in a game under permit shall be served during future games of their registered team, as per discipline rules.
9. Any team playing a player on a permit that does not conform to the above rules shall be sanctioned as for playing an ineligible player, and have permit privileges withdrawn. Any District approving permits not conforming to the above rules can be sanctioned by withdrawal of permit privileges for its District for up to one year.
